☎ 0879-52-2701

## Garbage that cannot be collected by the city

### Items subject to the Home Appliance Recycling Law

When you no longer need the product or want to replace it, ask the retailer to collect it.

### Personal Computer

Request the manufacturer for collection based on the Act on Promotion of Effective Utilization of Resources.

Check with the manufacturer or PC3R Promotion Association's website

PC3R Promotion Association  
<https://www.pc3r.jp>

### Small Rechargeable Battery

#### Recycling display

nickel metal hydride nickel cadmium Lithium ion

We collect them at participating stores with recycling signs.

For details, please check the Japan Portable Rechargeable Battery Recycling Center's homepage.
